About Aronov Homes

For over half a century, the Aronov name has been synonymous with quality real estate in the Southeast. Aronov's founder, Aaron Aronov, first began building single-family homes in the early 1950s. Since that time, the hallmarks of every Aronov project -- craftsmanship, attention to detail, and excellent value -- have remained the same.

Since its founding in 1952, Aronov has grown to be the largest privately-held fully-diversified real estate company in the Southeast. In addition to developing neighborhoods and building the finest quality homes, Aronov develops, leases and manages a large number of shopping centers, apartment communities, and office buildings throughout the Southeast, as well as offering a full line of commercial and personal insurance products.
